If a swimmer is selected in a Queensland Swimming Development Squad, the swimmer may be ineligible for a Wide Bay Squad.

The squad activities undertaken in season 2022/23 will then be structured around this criteria with the invites forwarded out from these results.

It will be endeavoured to announce the squads within 6 weeks of WBLC Championship.

Swimmers' ages as at 31st March 2022 will determine what squad they are eligible for.

This criteria may be adjusted, dependant on COVID Restrictions.
